Start by washing all the fruits to make sure they are clean and ready to eat. Next, take a knife and cut the fruits into small pieces. Be sure to remove any seeds or

peel any parts that are not edible. Once you have cut the fruits, place them all into a large bowl. You can add a little honey or a scoop of yoghurt to enhance the flavour. Squeeze in some lemon juice to give the fruit salad a slightly sour taste. Add some chopped nuts for extra crunch. Then, mix all the fruits lightly. Finally, your fruit salad is ready to eat. You can enjoy it as a healthy snack or dessert.
