

My Life Timeline

Objective:

Pupils organise and present important life events in chronological order using past simple, object pronouns and descriptive vocabulary.

Instructions:

1 Create Your Timeline

Draw a timeline of your life from birth until now. Include 5–7 important events (e.g., first day at school, first pet, birthday, learning a new skill).

2 Write Sentences

Write 1–2 sentences for each event.

- Use past simple tense (e.g., *I went, I learned*)
- Use object pronouns (e.g., *me, him, her, them*)
- Add at least one adjective (e.g., *happy, exciting, special*)

Example:

My father gave me a special gift on my birthday. I felt very happy.

3 Be Creative

Design your timeline using drawings, colours, symbols, charts or digital tools (if available).

4 Group Sharing

Work in small groups. Take turns to present your timeline.

5 Ask Questions

Ask your friends questions such as:

- *When did you...?, Who gave you...?, What did you enjoy most?*

6 Reflect and Think About Growing Up

- What changes do you see in yourself?
- What did you learn from your experiences?
