### Unit 6: Getting Around

#### Aktiviti PAK-21

##### Activity: MODES OF TRANSPORTATION

##### Instructions:

- 1 This activity is done in groups.
- 2 Each group is given different modes of transportation:
  - (a) train
  - (b) aeroplane
  - (c) helicopter
  - (d) bicycle
- 3 Each group is required to write the advantages and disadvantages about the transportation.
- 4 Present the information on a mah-jong paper in front of the class.
- 5 Stick the paper on the wall and asks pupils from other groups to add more information that they know about the transport.
