

Aktiviti PAK-21

Unit 7: Helping Out

Aktiviti PAK-21

Activity: GATHER RECYCLABLE ITEMS

Instructions:

- 1 This activity is done in groups.
- 2 Each group needs to gather recyclable items according to:
 - (a) Blue bin
 - (b) Brown bin
 - (c) Orange bin
- 3 Each group is required to write the functions of each bin and what goes into the bins.
- 4 Teacher must show students how to dispose the recyclable items they have gathered to the correct bins.
