I wish to share with you ways where you can help others.

At school, you can help your friends carry their books or clothes. You must also help the teachers carry their bags or heavy books.

Last weekend, Anna's parents went out to buy groceries. Anna was alone in the house. She jumped up and down her bed happily all evening. While Anna was playing, she saw a man dressed in black looking through the windows carrying a bag. Then, she heard the doorbell rang.

She opened the door to identify the man. The man said that he was delivering pizza ordered by her parents. Anna smiled and let the man in. The man then pushed Anna and she screamed for help.

Luckily, her neighbour, Mr Liew, heard her scream and immediately called the police. A few minutes later, the police arrived and apprehended the man. Anna's parents came home and regretted leaving Anna alone at home. They thanked Mr Liew for his alertness and kindness.

Hello Ling,

I recently went to a talk on How to Do Well in Your Exams. I learnt that revising notes is a good preparation before sitting for exams. Writing notes is helpful, too. We must listen attentively in class and ask for the teacher's assistance if we are having difficulties. Also, make a study timetable and have a good sleep before the examinations.

Love,
Rose

Subject:	Trip to Pulau Perhentian
Hello Harjeet, I am planning to go to Pulau Perhentian. Do you want to come with me? It is a three-day and two-night trip. We can do all sorts of activities, such as island hopping, snorkelling, and watching the sunrise and sunset. Besides that, I want to go diving underwater and kayaking. On our last day, we can go picnic by the beach. The package fee is RM150 with extra discounts! Let me know what you think! Regards, Nur Amirah
